

Remarks

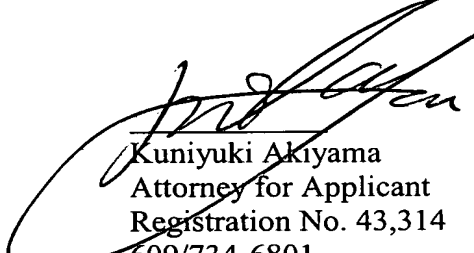

The specification has been amended to include a reference to the priority applications.

Claims 1-21 are currently amended to remove reference indicia. Claim 22 is a previously amended claim as per the International Preliminary Examination Report application.

To meet the requirements of the United States, the Abstract (as amended as per the International Search report and as published in the PCT application) is added. Reference indicia have been deleted to meet the requirements of the United States Patent and Trademark Office.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832

Respectfully submitted,
Michael Anthony Pugel
